

Springfield Learning Centres Inc. - New Loan Guarantee

The Jubilee Fund Inc. is pleased to provide a new loan guarantee to Springfield Learning Centres Inc.!

This loan guarantee will help Springfield Learning Centres Inc. add 21 new subsidized child care spaces, including five new infant spaces to their new facility in Anola, Manitoba.

The demand for services continues to grow and Springfield has a large waiting list. Springfield Learning Centres Inc. currently has three sites providing child care to the Springfield area. The fourth site in Anola will offer care for infants, preschool and school age children.

All the sites are staffed by Early Childhood Educators. The school age programs in both Anola and Dugald, offer a variety of activities designed for school aged children. The staff strive to present a club like atmosphere for the children to participate in and snacks are provided.

Springfield Learning Centre Inc. has operated in the RM of Springfield for 30 years, with locations in Hazelridge, Anola and Dugald and we are pleased to be partnering with them to expand their programming.

Through Springfield Learning Centres Inc. adding 21 new subsidized spots in Anola area, parents will be able to go back to work and new jobs will be created in the community. The positive impact geared towards poverty reduction is clear for Jubilee Fund.

Thank you to our ethical investors who make loan guarantees like this possible! As this is a new community for Jubilee Fund to be working in, we also want to thank Sunova Credit Union for partnering with us while honoring the crucial partnership we continue to have with Assiniboine Credit Union.

We are excited to be providing Springfield Learning Centre with a loan guarantee, but that has only been made possible by an incredibly supportive community!
