

Sunny Mountain Daycare Centre. – Paid in Full Club

Sunny Mountain Daycare Centre was founded in 1985 and became operational when they moved into the basement of the North YMCA. In 2014 after 29 years, the Centre was operating four locations in Winnipeg and was licensed for 224 children, 12 infants, 95 preschoolers and 96 school age children. They also offered a nursery school program with 21 spaces.

In October 2014, with assistance from the Jubilee Fund and Assiniboine Credit Union for fixtures and furnishings, Sunny Mountain Daycare Centre opened their 5th location – Andrews Early Learning Centre.

Andrews Early Learning Centre is located at Victory School, 395 Jefferson Ave. The new Centre, opened up an additional 74 total child care spots for community members (20 infant/toddler spots, 54 children aged two to four spots).

The broad social impact was clear to us. The 74 childcare spots created at Andrews Early Learning Centre, enabled many parents to go back to work or continue their education in order to provide a better life for their family. In fact, many community members using the facility at time of opening were newcomers to Canada. The new Centre also created new jobs within the community.

As of April 23, 2019, Sunny Mountain Daycare Centre's loan is paid in full!
